## FPCC's 70th Anniversary

This year Film Pack Camera Club will celebrate its 70th Anniversary by hosting the Columbia Council of Camera Club's annual convention in Vancouver, Washington. The "4Cs" Council has more than 30 Member-Clubs throughout Washington, Idaho, Oregon and Northern California.

Film Pack Camera Club's (FPCC) roots began in the summer of 1949 at Clark College when Delmar Harris and his photography class of eight students formed what is now the Film Pack Camera Club. This club met at Clark College until Harris retired in 1975. Today FPCC meets at Touchmark Fairway Village in east Vancouver.

FPCC Archives

Friday afternoon we will commemorate FPCC's 70th Anniversary by releasing seventy white doves to honor those who came before and recognize their efforts to keep the camera club part of the community. The event will be held on the main campus outside of the 4Cs conference rooms. You are invited to take pictures as the doves are released. Seth Resnick will give his keynote address just after the ceremony.
