

**ELECTRONIC IMAGE DIVISION (EID) INVITATIONAL

All 4Cs member clubs are invited to enter images for this competition. This is a club competition, and images can only be sent by your club competition chairperson. A full set of ten images is required for each club entry.

Entry Guidelines

There are no classes/divisions or restrictions on how the image was made; it only has to be an electronic file which started as a photograph to compete. Images may be color or monochrome, traditional or creative, or any combination.

- Submit no more than two images per club member. Exception: if your club has fewer than 5 members creating electronic images, you may submit up to 3 images per person.
- Submit all 10 images on one CD or DVD by mail or email to the addresses provided below. Please do not attach any labels to the disk. Use appropriate marking pens for any identification on the disk.
- Entry deadline is **Sunday, August 14th**.
- Images that have been entered in a previous Convention Invitational or received an award in EID competitions between September 2008 and August 2011 are not eligible.
- Invitational images should not be submitted if they are being recalled for other year end competitions. This includes Slides, EID and Print images. New material is encouraged for all Invitational submittals.

- The maximum horizontal dimension is 1024 pixels and the maximum vertical dimension is 768 pixels.
